

FSAB Board Meeting
October 27-28, 2001
Orlando Airport Marriott

FSAB is pursuing an NIJ grant for two years of funding.

Insurance for the FSAB Board was discussed.

The AAFS (American Academy of Forensic Sciences) has voted to become a sponsor of FSAB.

FSAB will have a website at the url: <http://thefsab.org>. This will be initially hosted on the IAI (International Association for Identification) server and set up by the IAI web master using the information provided by FSAB, unless an FSAB director can resolve the technical issues to build the site. Logos and letterhead were also discussed.

The draft Application document was discussed.

Areas of specialization and possible prerequisites for accreditation were discussed.

The draft Policies and Procedures Manual were discussed.

A fee structure for applications was discussed.

Public board membership was discussed.
