## PRESS RELEASE: Accreditation of Forensic Specialty Certification Bodies

Colorado Springs (September 25, 2017) – The Forensic Specialties Accreditation Board (FSAB) announces the publication of a white paper on Accreditation of Forensic Specialty Certification Bodies. The white paper's authors are Ann Webster Bunch, Thomas L. Bohan, and David R. Senn.

[Forensic Science Policy & Management: an International Journal](#) accepted the white paper as an original article on 15 May 2017.

The abstract of the paper can be accessed online by going to the Forensic Science Policy & Management website at <http://www.tandfonline.com/doi/full/10.1080/19409044.2017.1332118>. Copies of the paper are also available on this site.

The paper is intended to inform readers of the background, scope, and purpose of the FSAB and its role in potentially accrediting a Conformity Assessment Body (CAB) that applies to FSAB in their mutual quest to continually improve forensic practices in the US and worldwide.

The paper will be published in print form in the next published print issue of the journal.
